

Handheld Magnetic Sweeper - Quantum™ Series

www.bluestreakequipment.com

Continuous Discharge Magnetic Sweeper

For use in surface preparation cleanup of steel shot. Steel shot is continuously discharged into a removable on board debris bin after being picked up by rare earth magnets utilizing Bluestreak's patented Ripwhirl Technology.

Surface Preparation Needs/Problems

The Quantum Solutions

<p style="text-align: center;">DURABILITY</p> <p>Equipment needs to be extremely durable capable of withstanding long periods of use in industrial conditions.</p>	<ul style="list-style-type: none"> - Completely sealed drum won't allow shot inside. - High impact PVC drum housing. - Heavy duty non marking thermoplastic wheels with sealed bearings front and rear. - Steel axle. - Heavy duty welded and bolted powdercoated aluminum frame.
<p style="text-align: center;">PRODUCTIVITY</p> <p>Shotblasters need equipment that picks up shot quickly and easily.</p>	<ul style="list-style-type: none"> - Clutched drive wheels and front caster for easy turns. - Continuous discharge feature means the sweeper cleans itself off while sweeping so you always have full pickup strength. - Pick up shot at walking speed without having to make multiple passes to get missed shot. - Only stop after picking up approximately 42lbs of shot when shot tray is full. - Empty shot easily by removing the tray.
<p style="text-align: center;">EFFECTIVENESS</p> <p>The equipment has to pick up all the shot as well as shot of different sizes.</p>	<ul style="list-style-type: none"> - Super blue rare earth magnets and Bluestreak's patented Ripwhirl Technology provide a super strong magnetic field designed to pick 100% of shot out of rough surfaces up to 13/4" deep. - Designed to pick up shot of all sizes from S170 to S550.

Quantum Specifications

Visit us at www.bluestreakequipment.com

Product Name
Quantum - Handheld Magnetic Sweeper

Sweeper Width
Quantum 25 - 25"

Magnet Sweeper Housing (magnetic drum)
High Impact PVC

Debris Tray
Yes - removable tray

Ground Clearance
Quantum 25 - 0.3" at lowest fin point

Total Product Weight
Quantum 25 - 57.3 lbs

Shipping Weight
Quantum 25 - 66.5 lbs

Lifting Weight (measures in 2 1/2" 8 penny nails)
N/A

Cleaning Method
Automatic continuous discharge to shot tray

Wheels
Quantum 25 - 8" non-marking thermoplastic rubber clutched drive wheels with flanged precision ball bearings, 750lbs load capacity.

6" non-marking thermoplastic rubber front caster wheel 500lbs load capacity

Height Adjustability
Quantum 25 - No

Construction Handle
Quantum 25 - 4 piece Steel

Magnets
Super blue rare earth

Maintenance Requirements
None
