

PDESDCR ESD Cut Resistant Glove

Key Features

- Seamless knit construction
- UHMWPE/nylon/carbon fiber blend yarn
- Textured black nitrile palm and fingertip coat
- Ventilated back
- Low moisture absorption
- Washable and reuseable
- Surface resistance 10⁸ ohms
- RoHS compliant
- Size: S 2XL
- Pack: 12 pair/pack

Industrial Applications

- Electronic component handling
- IC handling
- Telecommunications
- Avionics
- Marine electronics
- Consumer electronics
- General electronics

Mechanical Risk Test Results					
Test Method	Level	Test Result			
EN 388					
Abrasion	Performance Level 3				
Cut	Performance Level 3				
Tear	Performance Level 4				
Puncture	Performance Level 2				
ASTM F 1790-05 (cut)	Performance Level 2	Cut load 986 gm			
Surface Resistivity		10 (8) Ohms/square unit			

About QRP Gloves

Founded in 1974, QRP Gloves, Inc. is a global growth company and leading independent supplier of gloves and fingercots for use in industry.

Known for innovations such as the first Class 100 cleanroom latex glove, first carbon-free ESD control glove and first ESD control finger cot, all QRP products are engineered to increase yields in industrial applications, high technology manufacturing, aerospace, biotechnology and pharmaceuticals.

For further information about QRP Gloves, Inc., feel free to call us at: 800-832-3882, ext. 213, PO Box 27466 Tucson, AZ 85726 or email us: info@ORPGloves.com

PDESDCR ESD Cut Resistant Glove

GLOVE COMPOSITION					
Shell Material:	UHMWPE /nylon/carbon fiber	Material Color:	salt & pepper		
Shell Weight/Gauge:	13	Coating Color:	black		
Coating Material:	nitrile	Coating Pattern:	palm coat		
Country of Origin:	Korea	Product ID:	PDESDCR		

PRODUCT DESCRIPTION					
Part #	Size	Cuff Color	Case Pack		
PDESDCRS	Small	White			
PDESDCRM	Medium	Green	12 mains/mask		
PDESDCRL	Large	Brown	12 pairs/pack 10 packs/carton 120 pairs/carton		
PDESDCRXL	X Large	Yellow			
PDESDCR-2X	XX Large	Gray			

Laundering: Wash with mild detergent and warm water. Air dry or tumble dry on low heat to minimize exposure to shrinking/fiber degradation.

Storage: Infinite shelf life when stored in a cool, dry location, away from sources of light. Avoid extremes of heat or cold. Recommended storage temperature range: $50^{\circ}F - 86^{\circ}F (10^{\circ}C - 30^{\circ}C)$

WARNING: Qualakote ESD C/R gloves are CUT RESISTANT, not CUT PROOF! Extreme caution should be exercised when working around moving equipment and machinery. Qualakote C/R gloves are not for use with chemicals. Avoid contact with corrosive or toxic chemicals. Failure to observe these cautions could cause personal injury, illness or even death.

PROTECTION STANDARDS

The information presented herein, while not guaranteed, was prepared by technical personnel and, to the best of our knowledge and belief, is true and accurate as of the date hereof. No warranty, representation or guarantee, express or implied, is made regarding accuracy, performance, stability, reliability or use. This information is not intended to be all-inclusive, because the manner and conditions of use, handling, storage and other factors may involve other or additional safety or performance considerations. The user is responsible for determining the suitability of any material for a specific purpose and for adopting such safety precautions as may be required. QRP, Inc does not warrant the results to be obtained in using any material, and disclaims all liability with respect to the use, handling or further processing of any such material. No suggestion for use is intended as, and nothing herein shall be construed as, a recommendation to infringe any existing patent or to violate any federal, state or local law or regulation. User assumes all risks. In the interests of continual product improvement, specifications subject to change without notice. The information contained in this sheet relates only to the specific material designated herein and does not relate to use in combination with other material or in any process. The information presented is from sources deemed to be reliable, but the thoroughness or completeness is not guaranteed.

Note: Gloves are included in the Manufactured Article Exemption of the Hazard Communications Regulations in the Code of Federal Regulations (29 CFR 1910.1200). As a result, an MSDS is not required. QRP endeavors to provide as much information as is possible about the product in its catalog and product information sheets.
