

# MATA10GY-PD2

Enhanced Durability and Grip

## APPLICATIONS

Metal Fabrication  
Automotive  
Glass Handling  
Public Utilities  
Paper Manufacturing  
Plastics and Molding

## FEATURES

Designed for high wear applications, the MATA10GY-PD2 scores an ANSI Level A3 for cut protection. This medium weight, 10 gauge glove lasts and lasts, delivering a low cost per hour of wear. PVC dots on both sides provide great grip, increase abrasion resistance and extend the wear life. Adding to the long lifecycle, the heather gray color hides dirt and soiling. Of course, they're machine washable.

For good protection against cut and slash injuries, we designed the MATA10GY-PD2 using our exclusive Advanced Technology Armor® (ATA®) performance engineered yarns. Made in the USA.

## ATTRIBUTES

STYLE	Seamless knit
GAUGE	10 g. medium weight
ANSI CUT	A3
SIZES	S / M / L / XL
