

MTW37PL

Cut Resistance and Comfort Made Affordable

APPLICATIONS

Automotive
Metal Fabrication
Construction
Pulp & Paper
Appliance Manufacturing
Material Handling

FEATURES

Our best selling Twaron® glove delivers ANSI level A3 cut protection and an outstanding value! High-performance Twaron yarn is strong and durable, yet its flexibility and light weight mean MTW37PL gloves are extremely comfortable to wear. They're a great solution for applications where cut, abrasion and heat resistance are important. MTW37PL gloves are plated with natural cotton, stepping up the wearer's comfort level while driving down costs. These gloves stand up to multiple laundry cycles without impact on their protective properties. Excellent durability reduces lifetime costs, providing greater value. Proudly made in the USA.
